04 — OUR SERVICES

Three ways we *work with you.*

Whether you need a strategy, an operational base or a commercial team on the ground — we have the infrastructure and the people to make it happen in Thailand.

01

STRATEGY — GO-TO-MARKET

Brand Representation & Action Plan

We become your official brand representative in Thailand. We conduct competitive research, adapt your brand for local consumers and build a full go-to-market roadmap — so you enter the market with clarity, not guesswork.

- Thai market research & consumer insights
- Brand positioning and local adaptation
- Go-to-market strategy and launch roadmap
- Local partner and channel identification
- Dedicated local point of contact

Learn more →

02

F&B — OPERATIONS — BANGKOK

Cloud Kitchen Operations

Operate your food brand from our Bangkok building — cloud kitchen, office and showroom included. No company registration. No setup from scratch. Live on GrabFood, Foodpanda and Lineman Thailand in under a week.

- Fully equipped cloud kitchen in central Bangkok
- Office and showroom space available
- No Thai company registration required
- Live on GrabFood, Foodpanda & Lineman in days
- Full operations management and logistics
- Real sales data and customer feedback from day one

Learn more →

03

SALES — DISTRIBUTION — LOCAL TEAM

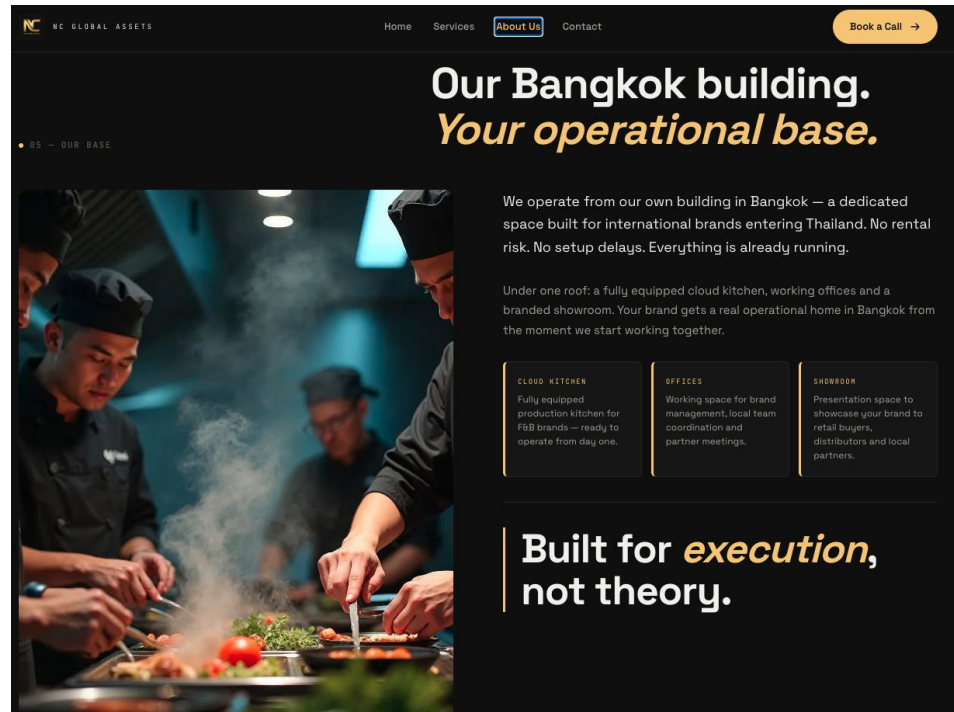

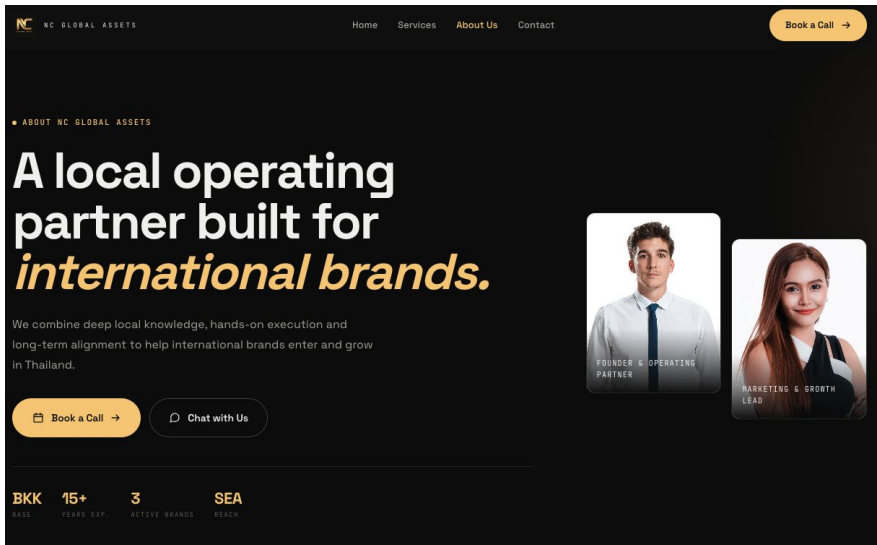

Commercial & Distribution Services

Our local commercial experts open doors that take years to build alone. We activate sales channels, develop retail and HORECA partnerships and grow your brand's commercial footprint across Bangkok and beyond.

- Local commercial team working your accounts
- Retail, HORECA and corporate channel development
- Supplier and distribution network activation
- B2B partnership development
- Sales performance tracking and reporting

Learn more →

- This one should be in the service page NOT home page.
- Learn more button shouldn't go directly to book a call. Should describe more about the service. If we don't have that much we should remove it

- Add more content in about us page
- Remove the right side pics
- Remove Book a call and chat with us button. It's too many buttons.

05 — OUR BASE

Our Bangkok building.

Your operational base.

We operate from our own building in Bangkok — a dedicated space built for international brands entering Thailand. No rental risk. No setup delays. Everything is already running.

Under one roof: a fully equipped cloud kitchen, working offices and a branded showroom. Your brand gets a real operational home in Bangkok from the moment we start working together.

CLOUD KITCHEN

Fully equipped production kitchen for F&B brands — ready to operate from day one.

OFFICES

Working space for brand management, local team coordination and partner meetings.

SHOWROOM

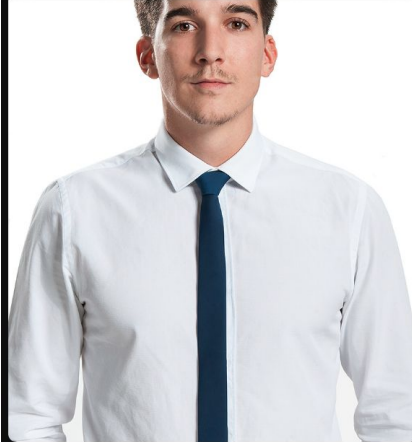

Presentation space to showcase your brand to retail buyers, distributors and local partners.

Built for *execution*, not theory.

FOUNDER & OPERATING PARTNER

Carlos Jacoste

Entrepreneur and founder of Startups Factory — 15+ years in startups, open innovation, digital growth and international expansion. Worked with ICEX, Playtomic and other innovation-driven ventures.

[CONNECT ON LINKEDIN](#)

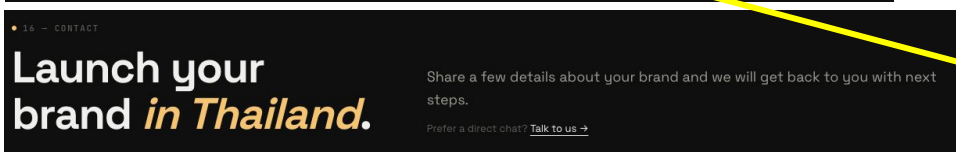

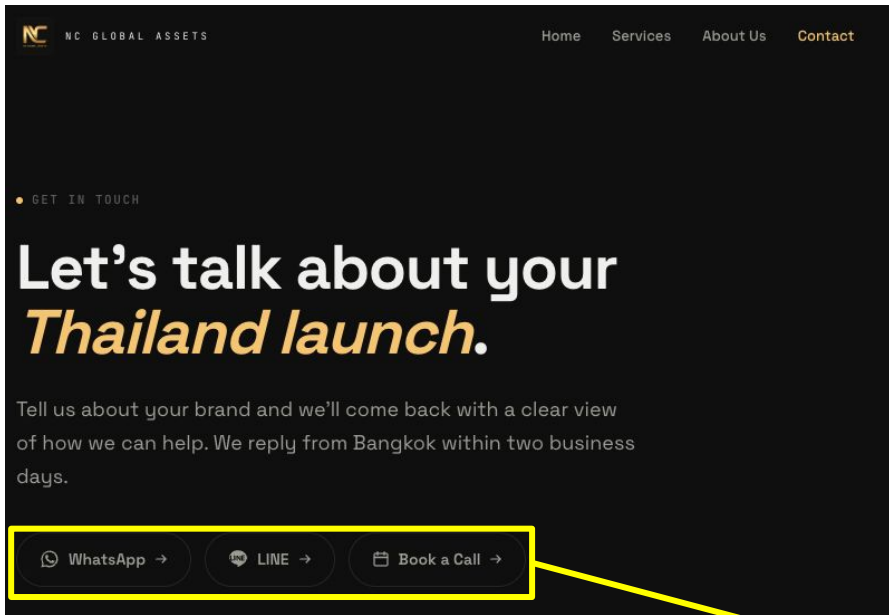

MARKETING & GROWTH LEAD

Nirada K.

Digital marketing specialist leading paid media, brand activation and go-to-market projects for companies entering new markets. Deep understanding of the Thai consumer — connecting strategy, content and local execution.

[CONNECT ON LINKEDIN](#)

- Our BKK building is duplicated from home page
- Make the right side pics look smaller
- Adjust my full name : Please add my full name Kritsanaseranee and my 6 years experience in Digital Marketing
- Adjust my position to Director of Marketing

- Whatsapp shouldn't redirect to StartUp factory
- Line link is invalid
- Move Whatsapp, Line and Book a call to contact form
- If we already have the page title above, we don't need more page title in the contact and it's too many links button

- Adjust Let's talk to

Let's build your Thailand growth.

Tell us about your brand, goals, and expansion plans. Our team will get back to you shortly with clear next steps.

Launch your brand *in Thailand*.

Share a few details about your brand and we will get back to you with next steps.
